Adopt A Shelter Pet Day!

It's hard believe that April's gone by this fast! But we have the BEST way to end it on a great note! April 30th is Adopt a Shelter Pet Day!

Who could ask for a better reason to go find a furry friend at an animal shelter? And the [Metro Animal Shelter](#) is ready to help! They've got animals waiting and looking for their Forever Families! Could it be you?

But what happens if you can't adopt a friend? Especially if you want to help celebrate?

Don't fret! FAYMAS has you covered! You can still make a difference in the lives of the animals at the Metro Animal Shelter by [DONATING TODAY!](#) Every little donation helps, even if you can't adopt. Donations go towards any medical expense that may be needed to help animals get adopted out, helping make their kennels more comfortable, and even helping with the adoption fees for some of the older animals.

Now, go forth and make an animal's day! ADOPT A SHELTER PET!
