

FAYMAS Success at Hounds on the Hill!

08/16/2015

Hounds on the Hill at Bradley Lake Park yesterday was a success for FAYMAS!

We photographed a herd of hounds! To see all the pictures, go to www.BonnieKingPhotography.com and search Hounds on the Hill.

The weather was perfect, we connected with lots of people, and were able to provide information about FAYMAS and the Metro Animal Shelter. Metro had a tent right next to us so folks were able to connect with Metro volunteers as well. We even sold our hot-off-the-press 15-month 2016 calendars!

Now we're getting ready for our next dog walk, partnering with The Meridian at Stone Creek in Milton, Washington. This is a brand new over 55, pet-friendly community located off the Enchanted Parkway, and asked us to come celebrate their grand opening!

We'll be there on Saturday, September 26th from 10 am to 2 pm. We're looking for pet product and service related vendors.

If you're interested or know someone who is, email Chris Lynch at celynch@faymas.org for information. We hope to see you there!

And thanks for helping us make Hounds on the Hill such a great success! We couldn't have done it without you!
